

Commuter Service

Take the misery out of driving to Baltimore or Washington by taking the train. Service geared for the commuter is frequent and easy. Tickets can be purchased at the station or by mail. Save time and avoid lines by using the commuter ticket by mail service — Charge and Ride. For information call 301-787-7345. For train and additional information regarding commuter service, call 301-291-4267.

BWI Rail Passenger Station

Amtrak's BWI Rail Station

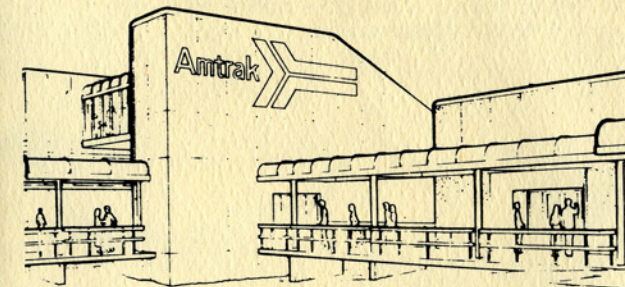

AMERICA'S GETTING
INTO TRAINING

14 trains a day

390 Free Parking Spaces

Free Shuttle Service to
Baltimore-Washington
International Airport

Convenient connections to America
and the World through the
many airlines serving BWI Airport

Amtrak's BWI Rail Station

Amtrak's BWI Rail Station is America's first air-rail-ground transportation complex. This unique station serves the Baltimore-Washington metropolis and is equidistant from both these great cities. BWI Rail Station also conveniently serves Columbia and Annapolis. Easy to use free shuttle bus service is provided between the station and the new Baltimore-Washington International Airport, 1/2 mile away.

Over 390 free parking spaces are located on the rail station grounds for day, overnight and commuter parking. The extensive airport limousine service provides ground transportation to many areas around BWI.

During the week, fourteen trains a day will stop at BWI Rail Station, (see schedule). Morning, afternoon and evening service for intercity travelers is provided which also is convenient for many national and international flights in and out of BWI Airport.

Commuter service to Baltimore and Washington, provided by the Consolidated Rail Corporation and subsidized by the Maryland Department of Transportation, makes it easy to park and ride the train every day to work.

The BWI Rail Station is the product of extensive cooperation and coordination among State agencies, members of Congress, and Amtrak. Congressional funding for the station project was secured by Senator Charles McC. Mathias and former Senator J. Glenn Beall. The Maryland Highway Administration, State Railroad Administration, the State Aviation Administration, BWI Airport, and Amtrak all worked together to make the intermodal terminal a reality.

Parking and Driving

Getting to Amtrak's BWI Rail Station is easy when you are driving. From the Baltimore-Washington Parkway, take the airport access road to Route 170, the Odenton exit. Continue to the Westinghouse plant. The station road, known as Amtrak Way, is opposite the plant; turn right and proceed to the station and parking area. Convenient drop off areas are located right at the front door.

Parking is free for rail patrons and at your own risk. State and Amtrak police will patrol the grounds at various times during the day and night. If you plan to park longer than 48 hours, notify the ticket agent in the station before boarding your train.

How to Use Amtrak's BWI Rail Station

The rail station will open at 6:00 a.m. Monday thru Friday, and 7:00 a.m. on Saturday and Sunday. The station will close at 8:30 p.m. Monday thru Thursday and Saturday, and 9:30 p.m. on Friday and Sunday. The facility is fully accessible to the handicapped. Both platforms have elevators for your convenience.

Shuttle service between the rail station and the airport terminal is free, but you must retain your rail ticket stub to use the shuttle to the airport. If you lose this stub, see the ticket agent inside the station. Announcements will be made prior to departure of the shuttle. The shuttle will still connect with all trains even if a train happens to be late.

Shuttle buses from BWI Airport will leave exactly 20 minutes prior to train departure. This will allow you 10 minutes to transfer from the bus to the train. Please note that there is no red cap service at the rail station. Departure from the airport is at the Airways Limousine stand on the lower level.
