Take the Amtrak Train with the familiar name

Silver Star. Silver Meteor. Champion. Florida Special. And the Floridian. These traditional trains for Florida travel have now been shifted to the contemporary scene. Rescheduled. Re-furnished. Revitalized.

For example, there's the Tavern Lounge where you'll enjoy your drink in a relaxing atmosphere. And the dining car where food is extra fine and service simply superb. There are also exciting changes in the Amtrak crew. You'll like their smart new look—one that reflects a whole new image. It's all a part of the changing scene when you take an Amtrak trip.

We're making the trains worth traveling again.

1st DAY - Sunday

JACKSONVILLE • RAINBOW SPRINGS • WEEKI WACHEE SPRINGS • ST. PETERSBURG

From the time you arrive in Jacksonville on Amtrak, you'll be farther south than the southernmost point of California. At the Jacksonville-Hilton Hotel turn yourself over to your congenial host and relax. At 9:00 a.m. Sunday morning you and your newly-found companions will leave **Jacksonville**. Away you go aboard your Carrousel Coach for Rainbow Springs, Florida's most beautiful attraction. Its most popular feature is the famous Underwater Cruise where, seated in air-conditioned comfort five feet below the surface of the water, you will view fifty varieties of fish and giant turtles in water clear as air. You'll travel through the treetops in a leaf-shaped sensation called Forest Flite. You'll delight in the playful antics of the otters, and feed marshmallows to the alligators in Swamp Garden, and feed and pet the friendly deer in Animal Park. Ride or walk through Bird Park, world's tallest aviary, and rub shoulders with hundreds of rare and colorful birds. Stroll the flower-bordered paths among hundreds of thousands of plants and flowers that make up the incredibly beautiful gardens of award-winning Rainbow Springs. Continue on to exotic Weeki Wachee Springs. This natural wonderland has a daily flow of 144,000,000 gallons of crystal clear fresh water. It is called the Spring of the Mermaids, and here you will enjoy a spectacular underwater ballet that has become nationally famous. Drama, comedy, music, and ballet are staged in an air conditioned theatre in the semi-round 16 feet below the surface of a gigantic natural spring. The performance is viewed through huge optically perfect plate glass windows, presenting a unique opportunity for movie and shutter bugs. This is a fitting climax for your first day. Then to **St. Petersburg** for dinner and overnight at the delightful Sheraton Bel Air.

2nd DAY - Monday

TAMPA • TAMPA BAY • ST. PETERSBURG • GREATER GULF BEACHES

After breakfast you leave on a morning-long sightseeing tour of St. Petersburg, the teeming harbor at Tampa, Tampa Bay and the entire surrounding area. Serene St. Petersburg is called "The Sunshine City". It is aptly named. It has an ever-present warm sun, but a constantly mild climate. The waters of Tampa Bay and the Gulf of Mexico, enclosing St. Pete on three sides, contribute to the even-

ness of the temperature and the beauty of the city. It has become a gathering place for people past retirement age, now composing almost 25% of the population. During the tour you'll see renowned Webb's City and the Holiday Islands connected with each other by bridges and a continuous highway. It's a camera fan's paradise. We'll also visit the fascinating Sunken Gardens with their delightful tropical blooms. In the afternoon it's back to the Sheraton Bel Air for free time. You may work some more on that Florida tan you wish to take back North, do some souvenir shopping, enjoy some golf or indulge in any of the other warm weather activities with which Florida abounds. Dinner and overnight stay at Sheraton Bel Air.

3rd DAY - Tuesday

CYPRESS GARDENS • THE SINGING TOWER • THE EVERGLADES • MIAMI BEACH

After breakfast you depart from the Sheraton Bel Air at 8:30 a.m. Your first stop this morning is at famed Cypress Gardens, a swamp that has become one of the most beautiful spots in all of Florida. The beauty of the gardens—lagoons and moss-hung trees, bougainvillea, thick beds of azaleas and flowers and rare plants from around the world—will never be forgotten. The water show is as thrilling as the gardens are beautiful. Unbelievable feats of daring aquatic skill are mixed with comedy antics and amazing acrobatic feats. The next stop is the Lake Wales Singing Tower, a giant shaft of granite over 200 feet high. You are serenaded by seventy-one bells ranging from 12 pounds to 11 tons. There are "blinds" from which you can photograph the colorful bird life that abounds in the lovely gardens and large "reflecting" pool. Then, relaxed in your parlor chair you'll see the other faces of Florida—the tropical plants, trees and flowers, fruit and vegetable farms, sugar cane fields and cattle country. View the beauty of the Everglades in the afternoon. More enchanting and mysterious than the bayous of Louisiana, there is a wealth of haunting legends in the depths of these dark, fascinating waters and the unpenetrable swamps of the area. Finally, **Miami Beach** with its fabulous hotels. Tonight you'll dine and sleep in one of those sea-side Arabian Nights' creations, the Carillon Hotel. To end the day, we suggest joining your friends, who were strangers a few days ago, for dancing or a beach party. Perhaps even a moonlight swim on the Carillon's private ocean beach.

4th DAY - Wednesday

MIAMI and MIAMI BEACH • MIAMI'S SEAQUARIUM

Sleep a little later this morning, but don't overdo it, as after breakfast will find you on a special sightseeing trip. You'll see every famous spot in the Greater Miami Area, then to the Miami Seaquarium to see a most startling collection of marine life in its many forms. Sea lions and highly-trained porpoises perform for your pleasure. On completion of the sightseeing trip you'll be driven back to the Carillon Hotel, to relax on the beach or at the side of one of the Olympic pools. The Carillon also has a golf putting course, driving range, volley ball and shuffleboard courts and many other outdoor activities. Live it up . . . cocktail parties, dance the night away . . . enjoy bingo, feature length movies. Or, up and down Miami Beach there is all the glamor and romance you've heard about. Whatever you seek Miami Beach has it, both for your afternoon laziness and your evening energy. Tonight we have planned a special dinner party for you in the Carillon's exciting night club. The cuisine is superb and the floor show is spectacular. It's a fitting way to wind up your day in this wonderful playground.

5th DAY - Thursday

DAY OF LEISURE • RELAX • SHOP • SWIM • GOLF • SEE KEY WEST

Breakfast, of course, is the first order of the day, then it is yours to see and do as you wish. One good suggestion is a trip to Key West, another face of Florida. Greyhound has an all-day trip that leaves at 8:30 a.m. The fare is \$14.50 a person. Key West is America's southernmost city. As you travel the famous Overseas Highway of 42 bridges linking the string of islands that form the "tail" of Florida, the brilliantly colored waters of the Gulf of Mexico are on one side, the Atlantic Ocean on the other. In Key West you see such places as Harry Truman's Little White House, Ernest Hemingway's house, Audubon House, the turtle kraals, the shrimp fleet, art centers and the other picturesque spots. You return to Miami Beach in the early evening. If you prefer Miami to Key West, the beach, golf, tennis, swimming and all the other wonderful outdoor sports of Florida are at hand. There's also famous Lincoln Road, one of the most exclusive shopping centers in the world. Collins Avenue is loaded with intriguing stores for your shopping pleasure. Dinner and overnight at the Carillon Hotel.

6th DAY - Friday

FORT LAUDERDALE • BOCA RATON • WEST PALM BEACH • OKEECHOBEE • WALT DISNEY WORLD • ORLANDO

It's up early today for you have much to do and see. Breakfast first, then it's along America's Riviera—an entire coast line man-designed for pleasure. Through Fort Lauderdale and Boca Raton and past the mansions of millionaires, as lavish as any in this world. Then northward until you reach 730 square mile Lake Okeechobee, the fountainhead of the Everglades. Pass by countless jewel-like fresh water lakes and into Florida's famous orange country. Then to one of the tour's real great highlights—the "Vacation Kingdom" of Walt Disney World, just south of Orlando. In this wonder of wonders you'll be treated to nine rides and admissions like the Hall of the Presidents, the Tree House, the Carrousel, the Haunted Mansion and many others. Ride monorails, the watercraft and the trams to your heart's content. Here you'll find loads of fun and excitement all wrapped up in one great recreational area. Then later, in the early evening, you'll bid a reluctant farewell before moving to **Orlando** proper for dinner and overnight at the Park Plaza Hotel.

7th DAY - Saturday

CAPE KENNEDY • ST. AUGUSTINE • OLDEST HOUSE • FOUNTAIN OF YOUTH • JACKSONVILLE

This morning after breakfast we'll turn due East for the run to Cape Kennedy and the NASA Space Center. You'll tour the launching site of the astronauts, take in the awesome size of the rockets. See the structures where the astronauts completed their flight training, the Project Mercury Mission Control Center and buildings where manned spacecraft are tested in altitude chambers. Now travel up the coast through Daytona Beach, the speedway city, to St. Augustine. Taking over as your temporary guide will be a top-hatted surrey driver who will escort you through this quaint city with its old world charm. You'll see America's Oldest House, the old Spanish Church, the slave market and drink from Ponce de Leon's immortal Fountain of Youth. Your tour will end at the Jacksonville-Hilton Hotel at about 5:00 p.m. It will seem much more than a week ago that you left there. People who were strangers then are close friends now. Everything possible has been done to make this your most outstanding vacation. We hope your enjoyment of it has been as great as our pleasure in having you with us. And now—time for a relaxing trip home on Amtrak.

OPTIONAL KEY WEST TOUR

A delightful all-day tour from Miami to Key West along the string of coral islets stretching far out across the unbelievably colorful tropic sea. At one side is the Atlantic Ocean, at the other the Gulf of Mexico, the waters colored in every vivid shade of green and blue. You'll see the Keys, Matecumbe, Pigeon Key, Bahia Honda; the towns, Tavernier, Islamorada, Marathon, all famous names since the days of sailing ships. Once relatively inaccessible and for centuries sparsely populated, in recent years the marvelous climate has been "discovered" and now you'll see increasing numbers of beautiful tropical retirement homes and vacation resorts all along the Florida Keys.

You'll tour Key West, a naval stronghold throughout its long history; see the Audubon House and the Bahama Houses; the Martello Towers, the shrimp fleet and turtle kraals; and hear the story of this southernmost city of our country.

This tour will pick up at the Carillon Hotel approximately 8:30 a.m. You return to the Carillon at about 7:30 p.m.

Walt Disney World is a completely new kind of vacation experience. Here you'll find all the fun of California's Disneyland—and many new attractions created especially for Walt Disney World. And that's just the start . . . here you can dine in the banquet hall of a medieval castle . . . sail for miles, or sun on the beach of a Polynesian Village . . . watch the sunset from the deck of a 19th Century steamboat . . . ride a swift monorail train right through the "lobby" of a resort-hotel as contemporary as tomorrow.

This is total magic—the magic of sight and sound, motion and music, Mickey Mouse and Mary Poppins, all here in this magic kingdom of Walt Disney. All this and more will be enjoyed as a part of your Amazing America Vacation in Florida. Your visit to Walt Disney World includes admission, nine rides within the theme park and use of the Walt Disney World transportation system.

the carrousel concept...

The Carrousel concept is something new in leisure travel. A regular schedule of carefully arranged tours leaves Jacksonville and swings around the state. Vacationists may get on and off as desired. For example, Tour #1C and Tour #9A really make a full circle. From Jacksonville, take Tour #1C to Miami Beach and stay in that area for a week or two. Then hop back on the carrousel and complete the circle. This same idea holds true for any of the boarding points. However, it's not necessary to complete the circle. The carrousel concept can be used as a convenient way to see just a part of Florida. Pick any tour or any combination. They're arranged for your convenience.

the deluxe parlor car motor coach...

Your Carrousel is a famous Greyhound deluxe Parlor Car—an air-conditioned palace of comfort. The Parlor Car Motorcoach features roomy seating capacity.

Each group has a knowledgeable driver-escort—a fully-equipped restroom—wall-to-wall carpeting—and a special stereo tape unit with high fidelity speaker system.

There's Greyhound comfort in the adjustable contour seats and the controlled inside temperature:

Not too warm,
not too cool.

Large panoramic windows

let you see ALL of Florida. Your driver is an experienced, courteous professional. You'll arrive at each destination relaxed and ready to see the sights and do the town. If you really want to "see" Florida, hop aboard the Carrousel.
