## Welcome to Amtrak's Auto Train.

Thanks for choosing Amtrak's Auto Train. You're about to discover why getting there is half the fun! As soon as you come aboard, your vacation begins. You'll meet new friends in our lounge, enjoy panoramic ground-level views of the Atlantic Southeast, and be treated to complete comfort and service all along the way. If there's anything you need, just ask one of the attendants.

As evening arrives, enjoy your dinner — included in the price of your Auto Train ticket. Afterwards, it's time for a movie in the Movie/Table Car with a late-night snack immediately following. You can mingle with other stopovers in our glass-topped Dome Lounge Car. And, there's a piano available if you'd like to play a few tunes.

In the morning, you'll awaken to a complimentary continental breakfast served in the Buffet Car. Then, enjoy the scenery, catch up on your reading and writing, and get together with new friends. Before you know it, you'll be there!

Forget the worry of long-distance driving. Auto Train is the easiest and most enjoyable way to travel between Florida and the Washington, D.C., area.

You're on the right track...
