- ④ SL Special Bedroom

# A long the way...

...it will dawn on you.

*It might be while you catch the sunrise over the bell tower of a Spanish mission. Or as you watch otters chasing sea lions in the world's largest ocean.*

At some point, on this most pleasurable journey, you realize that you are seeing things that few people have ever seen. You

sit back in comfort and enjoy while the wonders of the Pacific put on a spectacular show right outside your window. Starting from the shores of Puget Sound in Seattle, you glide past snowy Mount Rainier and the active volcano, Mount St. Helens. Then, after

One of the many exquisite waterfalls you'll see as you travel through Oregon's Willamette Valley.

crossing the Columbia River into Portland, watch for shimmering waterfalls in Oregon City past the Willamette River Valley. Look to the east to see the Cascade Mountains and to the west will be the Coast Range. Climb the mighty Cascades with its dramatic turns and vistas. Descend into

California's lush Central Valley, famous as the state's salad bowl. Your trip continues south to San Jose and the Salinas Valley. Get ready for the awesome, rugged beauty of the California coastline. San Luis Obispo is your stop en route to the legendary Hearst Castle, an architectural monument to amazing wealth. Soon you're pulling into

On a clear day, you can see Mt. Rainier's snowy white peak rising into the heavens.

charming Santa Barbara with its beautiful sandy beaches and the Channel Islands offshore. Keep a lookout for migrating whales. At Oxnard, you'll turn inland, crossing through the San Fernando Valley before arriving at the historic Union Station in downtown Los Angeles. These magical scenes, marked in rhythm by a gracious train, exist in a place outside your wildest dreams. There is, however, only one way to get there — Step aboard The Coast Starlight.

And discover one of the West Coast's premier travel experiences.

Migrating whales frolicking in the Pacific are truly an incredible sight to see.
