TRAVELING BY TRAIN . . . THINGS YOU SHOULD KNOW

SMOKING — Amtrak wants to make your trip a pleasant one. Because we are concerned about your traveling comfort — and in view of the increased public awareness of smoking and the strong views held by our passengers—we have designated certain NO SMOKING areas. Consequently, smoking WILL be permitted in lounge cars, dining cars, and sleeping cars. Smoking will NOT be permitted in coaches except in areas specifically set aside and identified for smoking in the body of certain coaches and areas such as coach-lounge, bar, grill, and restroom areas. If you smoke, as many of us do, please smoke in designated smoking areas only. Thank you for your cooperation.

SCHEDULES IN ITALICS — All schedules and cities shown in italics indicate connections. In some instances through equipment may be operated on these connections; however, in most cases, passengers change trains to and from connections. We suggest you check equipment listings in this timetable for further information.

CUSTOMS AND IMMIGRATION — For our Inter-American passengers, we offer the following information:

U.S. citizens visiting Mexico are required to obtain a tourist card which can be secured at any Mexican consulate in the United States or from a Mexican immigration officer at the International Bridge, Nuevo Laredo, Tamps., Mexico. Birth certificate, voter's registration certificate, or a sworn affidavit are necessary to prove American citizenship. A returning resident of the U.S. is granted a \$100 exemption. The Bureau of Customs of the Treasury Department is tightening its enforcement procedures and increasing the incidence of its examinations in order to combat alleged trafficking in narcotics, marijuana, and dangerous drugs, and to apprehend smugglers. The support of all persons of goodwill is essential if this effort is to succeed.

FREE BAGGAGE ALLOWANCE AND LIMITATION OF AMTRAK LIABILITY

Ticket	Free Baggage Allowance	Limitation of Liability
Adult	3 Pieces not to Exceed 150 lbs.	\$100.00
Child	2 Pieces not to Exceed 75 lbs.	\$ 50.00
Family Plan	5 Pieces not to Exceed 300 lbs.	\$200.00

Should your baggage be worth more, and you wish to be reimbursed for its full value in the event of loss or damage, we suggest you advise the agent and he will grant additional liability upon payment of 30 cents for each \$100.00 of value in excess of free liability (up to a maximum of \$2,500.00 per passenger).

CHECKED BAGGAGE SERVICE — Amtrak makes every effort to handle your baggage promptly, but no guarantee can be given as to handling on same train as owner or arrival time at destination.

CARRY-ON BAGGAGE LIMITATIONS — In the interest of your comfort, convenience and safety — and when checked baggage service is available — only baggage needed enroute and NOT MORE THAN TWO (2) PIECES OF BAGGAGE PER PASSENGER will be carried into an Amtrak coach. Sleeping car passengers may carry on the baggage which can be safely accommodated within their room. Baggage checking facilities are available at most stations to handle baggage, and there is no service charge. Baggage not needed enroute and all bulky items should be checked to destination.

PETS ON TRAINS — Private room passengers may keep one pet if they wish, except on certain trains; details upon inquiry. A small pet in rigid, well-ventilated container no larger than 18" in any dimension can be taken into these certain trains. A seeing-eye dog, is free to go anywhere in the train his blind master goes. Dogs may be exercised at regular stops along the way. Dogs, cats, or birds (in suitable containers) can be carried in the baggage car on all trains having baggage service. On the Southern Railway System dogs (except guide or leader dogs), cats, and other pets are not permitted in passenger accommodations on trains that carry baggage cars.

WE LIKE TO HEAR FROM OUR PASSENGERS — When the news of establishing Amtrak first spread, interested citizens wrote us recounting their personal rail experiences — some good, some not so commendable. Today, almost three years later, your letters continue — and we thank you. Many of your suggestions have become fact; some have not. However, what has been accomplished since our inception on May 1, 1971, has been greatly attributable to the interest and support of those people who thought — and still think — that Amtrak will work. If you have any comments, criticisms, or suggestions, you are invited to write to Mr. Harold L. Graham, Vice-President Marketing, Amtrak, 955 L'Enfant Plaza North, S.W., Washington, D.C. 20024.

NOTICE — The National Railroad Passenger Corporation (AMTRAK) cannot assume responsibility for inconvenience, expense or damage resulting from errors in timetables, delayed trains, failure to make connections, or for changes in or shortage of equipment. The schedules, equipment and fares shown in this timetable are subject to change without notice.
