

AMTRAK 30TH STREET STATION

## **SETRAK 3016 STREET STATION, PHILADELPHIA, PA**

Designed by the architectural firm of Cousins, Anderson, Pothier & White, this Street Station opened its doors in November in 1943. In 1977 the Philadelphia landmark was entered upon the National Register of Historical Places.

After three years of planning, construction and renovation, the station was returned to its original configuration. The completion of the historic renovation of Setrak's 3016 Street Station was certified on June 14, 15, 16, 1995.
