This year take Amtrak to the slopes and save a cool 40% off the regular round-trip coach fare.

That's right, you get a 40% discount that's good on any Amtrak train, as long as your final destination is one of our designated ski stops. Travel round-trip between New York and Montreal, for instance, is just \$37.50. You qualify for the discount when you purchase any of the ski packages in this folder. Don't pass up this great rail discount. Cash in on the savings and enjoy any one of the exciting ski vacations in our Pick Of The Peaks.

Great discounts . . . great ski packages . . . and great going on Amtrak.

This season we'll warm your hearts, and your pocketbook too!

There's bound to be an Amtrak ski package within your budget.

## Don't get stuck in a drift this season

Get the snowball rolling . . . pick the peak that's right for you, and cash in on the 40% rail discount.

See Amtrak or your Travel Agent, now!

## The Ski Trains of Amtrak

### Take your Pick of our Peaks

If you want skiing with a foreign flavor, then head up to Canada where the accent is French and the action is lively in the Laurentians or at Mont Ste. Anne. Or, stay Stateside and take your pick of some of Vermont's finest slopes in New England's picture book setting. All in all, you can have your pick from ten different ski areas in the East.

### Take a Peek at our Packages

Have we got some packages for you this year? You have fourteen Amtrak Pick Of The Peaks packages to choose from. Whether it's a ski package with all the trimmings . . . meals, group ski lessons, and rental equipment, or a basic package that provides lodging and lift tickets, you'll be skiing pretty with Amtrak.

And, don't choose just one package . . . make this ski season the one you remember with memories of two or more ski trips.

### Take a Price at your own Peak

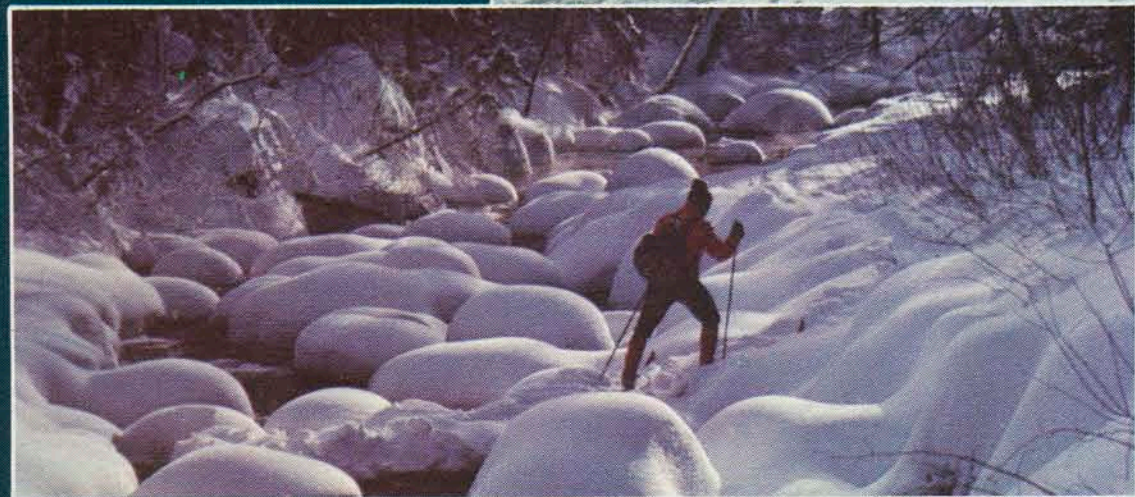

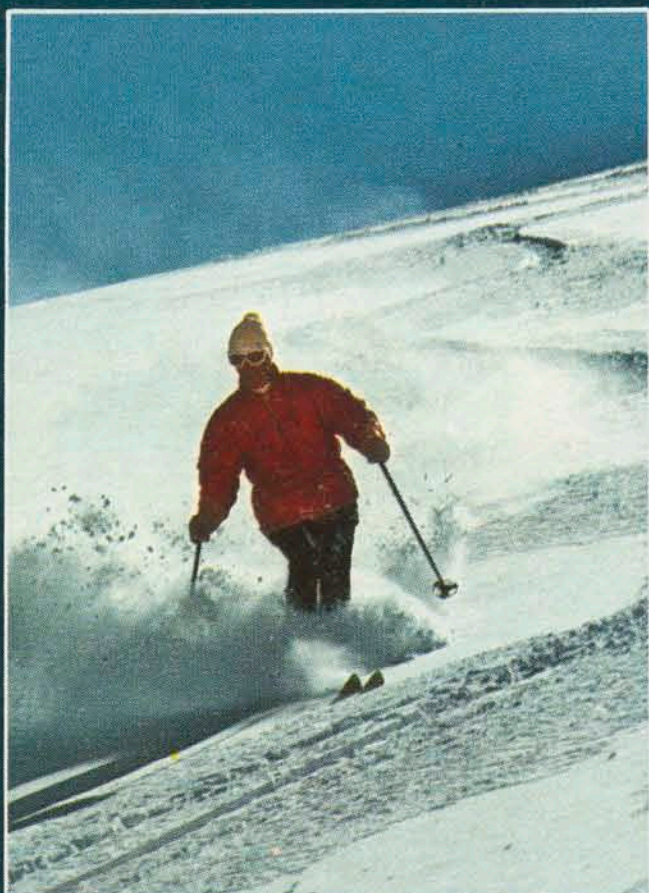

When you take an Amtrak ski package you can pick a price that's right for you. Stay in a luxury apartment or chalet, or choose a room in a motel, dormitory or inn.

There are two Amtrak trains that can take you to ski areas in the East. The overnight Montrealer serves Eastern cities between Washington and Montreal, to take you to the ski areas in Vermont and Canada. (If you are traveling on to Mont Ste. Anne or Mont Ste. Marie in Quebec, arrangements can be made for you to continue your journey from Montreal by motorcoach or VIA Rail Canada.) For a daytime train to ski areas in Canada and Southern Vermont, take the Adirondack, traveling between New York City and Montreal through the scenic countryside of Eastern New York State.

Both trains have food and beverage service available, with comfortable reclining seats in coach. No matter which peak you pick, you'll find there's no better deal going to get you to the snow than Amtrak's 40%-off, discount fares.

Note: Discount applies to coach travel only. It cannot be used to upgrade to private sleeping accommodations or club cars, and does not apply to the all reserved Metroliner Service trains between Washington, DC and New York. The 40%-off discount fares are effective 11/1/78 through 4/30/79.

The discount is not valid for travel that is *wholly* taken between the holiday periods of December 16-24, 1978 and December 30, 1978 to January 1, 1979. To take advantage of the 40%-off discount during the holiday period, either the *origin date* of travel or the *return date* of travel *must* begin outside the restriction periods. Only *one* portion of travel may begin during this period.

# VERMONT

Vermont has some of the country's oldest and best-developed ski areas, springing out of a winter landscape dotted with quaint New England villages, and playing host to skiers by the thousands escaping from the East's big cities. Picturesque pine-bordered trails, excellent ski schools, and a terrain varied enough to challenge the expert as well as beginner are only a part of Vermont's appeal. Lodging ranges from congenial bunk rooms to contemporary condominiums complete with kitchens and color television. Après-ski, you can sample plain Down East cooking, or dine on the most sophisticated French cuisine . . . dance at a discotheque or listen to a simple folk song. Whatever you're looking for, you're sure to find it in Vermont.

# BOLTON VALLEY, VERMONT

One of the nicest things about Bolton Valley, in addition to its 275-inch annual snowfall, is that you can step from your lodge to the lifts in a matter of minutes. With the highest base elevation in the state practically guaranteeing a long season, Bolton Valley offers 22 trails from beginner to expert, a ski school, and night skiing.

## SUGARBUSH VALLEY, VERMONT

This picture-postcard New England village attracts some of the most glamorous skiers in the East. It's not all glamor, though. At least half of Sugarbush's 33 trails, with names like Spillville, are for experts. Intermediate and novice trails are also plentiful. There's a gondola tramway, an excellent ski school, and for après-ski, discotheques and French cuisine in sophisticated supper spots.

Lifts	Vertical Drop
