# SKI AMTRAK COUNTRY

**T**his season, make tracks for Amtrak Country. And ski some of the most glorious snow-laden slopes in the United States and Canada.

Six luxurious Amtrak Superliners are waiting to carry you West from heartland to highcountry, serving points between Chicago, Seattle, San Francisco and Los Angeles. Bringing you within close proximity to a wide range of ski resorts for novices and experts alike.

Each bi-level Superliner offers comfortable sleeping accommodations and other amenities that will make your trip a pleasure.

It's a great way to unwind before and after an invigorating week or two of skiing . . . to travel through unpredictable weather . . . and to make sure your ski gear arrives the same time you do.

Two Amtrak trains also serve popular Eastern peaks, home to some of the finest ski areas in North America. Travel overnight from Washington, D.C. to Montreal, giving you access to more than 20 resorts in Vermont and Canada . . . with transfers available for Quebec's Mont Ste. Anne. Or take Amtrak's daytime ski run serving areas in Canada and New York.

Eastbound or westbound, you'll ride in sublime comfort toward the ski vacation of your dreams. Enjoy the après-ski atmosphere of the Amtrak lounge. Sink into cushioned reclining coach seats and take in picture window vistas. Meet other ski buffs and make new friends. Polish up your ski jargon and share ski tips over breakfast, lunch or dinner. Toast to bountiful snow with a glass of wine or the cocktail of your choice.

Before you know it . . . you've arrived.

Use this convenient Amtrak reference map to help plan a "Ski Amtrak Country" trip to one of *your* favorite resorts East and West.

Contact your travel agent or Amtrak and ask about our Family Plan discount, special group rates, and regional ski packages that could save you as much as 30% off your round-trip rail fare.\* Whether you stay in a luxury apartment or chalet, or choose a room in a motel, dormitory or inn, you're sure to find an Amtrak ski package that's right for you.

What's more, most of our ski packages provide round-trip transfers between the train station and your accommodations, and shuttle bus service to the lifts. If you wish to make your own arrangements, Amtrak can help with information about transfers.

So why not leave your car at home this winter and hop aboard Amtrak.

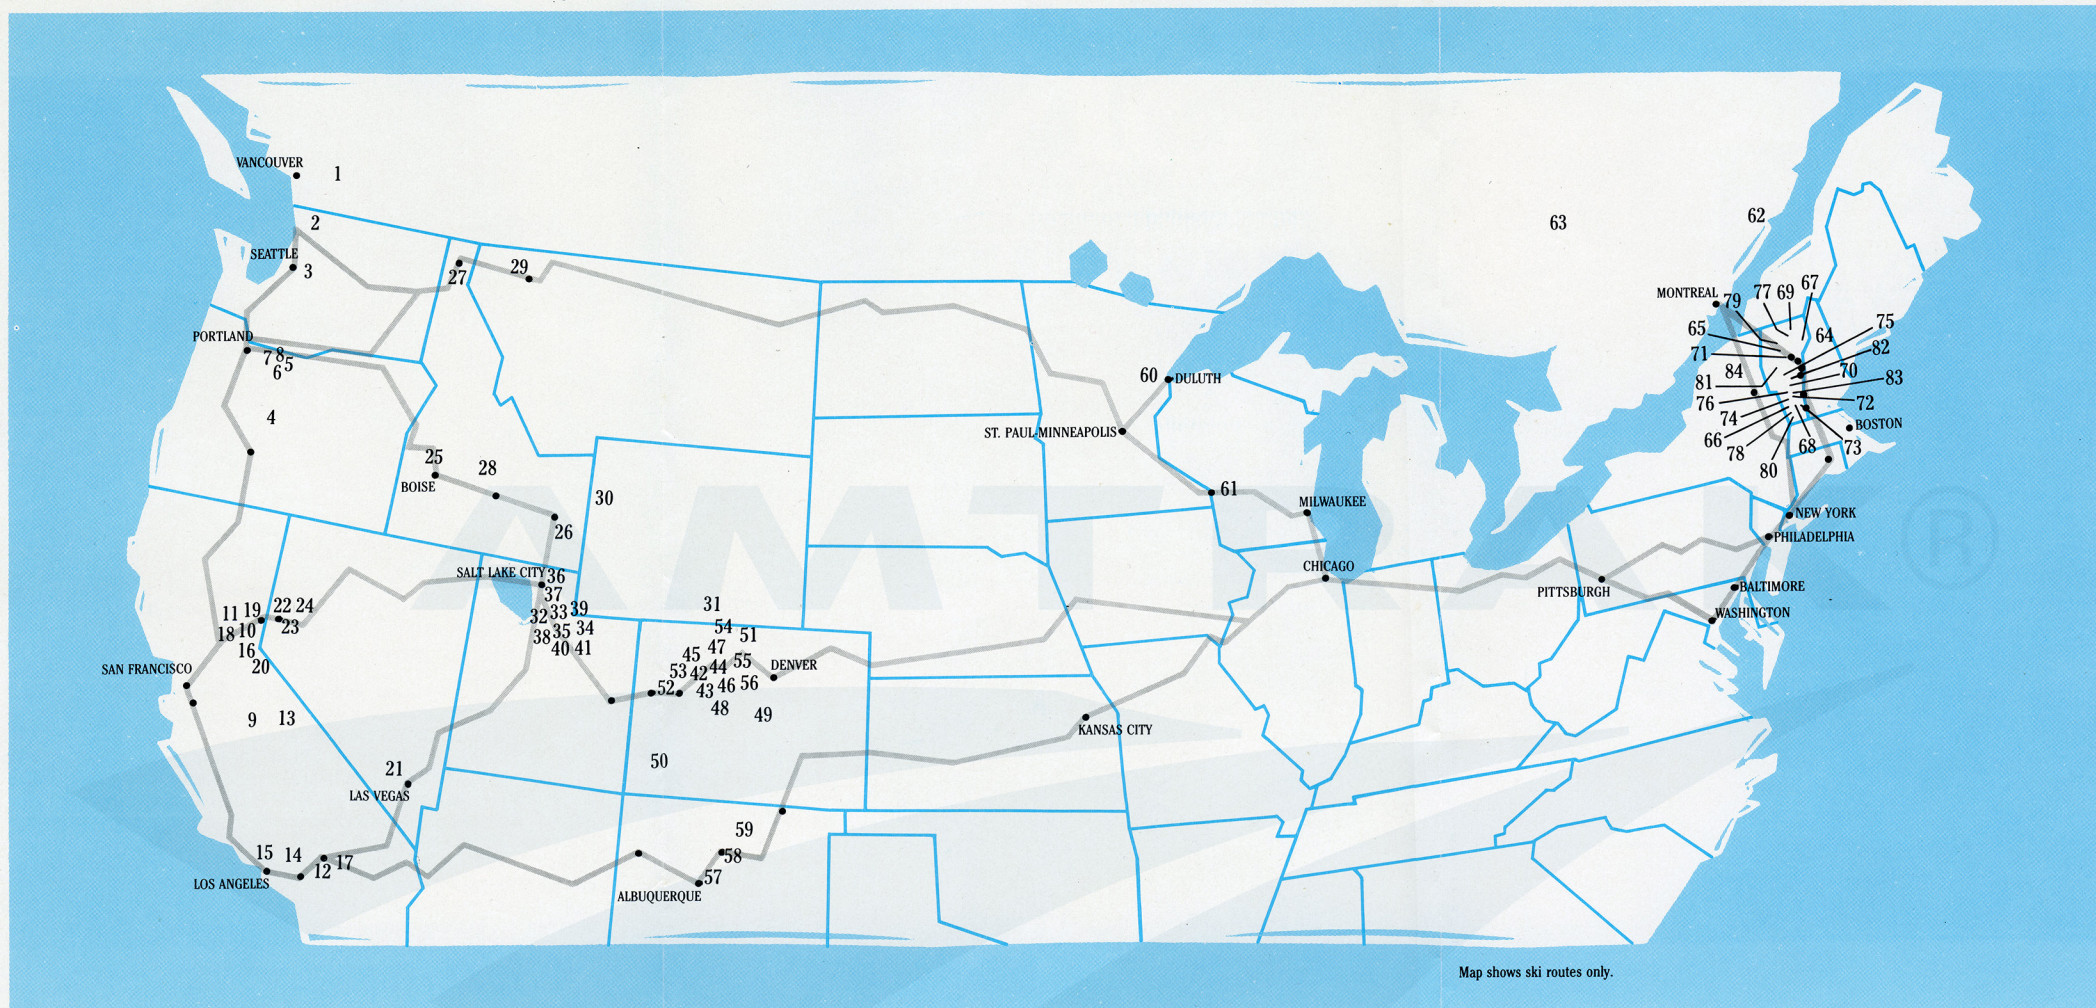

Head for the snow-covered hills of Amtrak Country. And discover that getting there is half the fun . . . of getting back on your skis again!
