

**Other on-board services  
offered on many Amtrak trains**

**Dining Car**

Available to both Coach and First-Class passengers. Amtrak Dining Cars offer restaurant-style dining, a variety of meals and a fine selection of cocktails, beers, wines and cordials at reasonable prices.

**Lounge Car**

A "club-on-wheels" where snacks and drinks are served. The Lounge Car is a pleasant gathering place for all Amtrak passengers to enjoy.

**Dome Car/Observation Car**

A number of Amtrak trains offer either a dome car or an observation car. The dome car has a clear, wide dome which gives passengers a spectacular, unobstructed view of the passing scenery. The observation car has a rear-view picture window. Both these special cars provide a remarkable panorama, spacious, deeply-cushioned seats, and may be enjoyed by everyone on board at no charge.

**Thank you** for traveling Amtrak. We are sure your Coach Class accommodations will make your trip comfortable. Keep in mind, though, that your Coach ticket does not prevent you from choosing one of our more private overnight accommodations described below may still be available to you. If you wish to change, ask your conductor for availabilities and charges.

**Slumbercoach**

Our Slumbercoaches have lounge seats that convert to comfortable beds. Single rooms in Slumbercoach have fold-away beds. Doubles are equipped with upper and lower beds. Each room has a private washstand and toilet facilities. No additional rail fare is required, just a nominal charge for space on the Slumbercoach.

**Roomette**

A private room for individual travelers. Larger than a Slumbercoach. The Roomette is equipped with a comfortable seat, fold-down bed, private toilet and washbasin. To secure a Roomette you simply pay the difference in fare between Coach and First-Class, plus a charge for Roomette space.

**Bedroom**

More spacious than a Roomette and ideal for two people. Equipped with two separate berths, private toilet facilities and a washbasin. Bedroom cost is the difference in fare between Coach and First-Class, plus a charge for bedroom space. An additional one-half First-Class fare is charged for single occupancy.
