Follow the Santa Fe Trail

Once wagon trains loaded with children, leather goods, tools, books, and hardware and hundreds of water buffalo slowly across the western state, the Santa Fe Trail. The trail today follows the same path and they call it the Santa Fe Trail. But the magic isn't all that's left of Santa Fe. Many other things still exist in Santa Fe, many of them are still used for their original purpose. Many are now used for their original purpose. Many are now used for their original purpose. Many are now used for their original purpose.

Join Amtrak for celebration with Santa Fe Trail. We'll take you west to Los Angeles and Denver. Or stop in at Houston, Austin and other exciting southwest cities. If that's all — Grand Canyon to the West you'll find the trail to celebrate you in America's Southwest. Pick your tour. Choose your travel agent or local Amtrak office and please don't forget the Santa Fe Trail.
