★ Introducing Superliner® Service ★

Enjoy more spacious, modern surroundings and all that jazz!

Travel between Chicago and New Orleans hits a high note with the introduction of Amtrak's® bi-level Superliners®. More than simply a way to get from here to there, Amtrak's Superliners are restaurants, movie theaters, social centers and so much more.

The differences you'll encounter begin in coach, where you'll find spacious, comfortable reclining seats featuring overhead reading lights, luggage racks and fold-down trays. You can stretch out and easily relax for the overnight leg of your journey, thanks to plenty of leg room and special leg rests that fold out for added comfort. First Class sleeping accommodations, too, are much more flexible with choices ranging from Economy Bedrooms and Family Bedrooms to Deluxe Bedrooms. Some rooms even feature your own private shower!

Take Note Of Full Service Dining And The Superliner® Lounge

Enjoy a restaurant with ever-changing views and freshly cooked meals, prepared by our specially trained chefs and served by our attentive staff. As you linger over breakfast, lunch or dinner, you'll be treated to panoramic views of America right outside your windows. Next, head for the lounge to meet people and share good times...or watch a full-length feature film in the evening. You'll also find specialty drinks and complimentary snacks here during Hospitality Hour.
