TRAVEL INFORMATION

AUTO TRAIN

Auto Train travelers should plan to arrive at the station two hours before the scheduled departure time. Automobiles will not be accepted less than one hour before scheduled train departure.

BAGGAGE

Checked Baggage Service: At stations and on trains with baggage checking facilities, fare-paying passengers may check up to three pieces not exceeding 75 lbs. each or 150 lbs. total weight. Baggage in excess of the free allowance is subject to surcharge. Boxes and cartons weighing under 50 lbs. may be accepted when securely taped and tied with rope. Baggage checked less than 30 minutes prior to departure may be delayed. Passenger's name and address must be securely attached to each piece. Consult agent for a list of prohibited items.

Checked Baggage Service Liability: Amtrak's liability for checked baggage service is limited to \$500.00 per ticketed passenger. Additional valuation may be declared and purchased prior to checking baggage; consult agent.

Carry-On Baggage: All Amtrak trains can accommodate two pieces of carry-on baggage per passenger. Baggage of reasonable size, weight and quantity may be carried aboard Amtrak trains. Amtrak disclaims liability for loss or damage to carry-on baggage.

CREDIT CARDS

Amtrak accepts American Express, Carte Blanche, Diners Club, Discover, Japan Credit Bureau (JCB), MasterCard, Visa, and Air Travel Card (ATC), at all ticketing locations. These cards are also accepted on board for tickets (except JCB) and dining car meals (except ATC and JCB).

LOST, STOLEN OR DESTROYED TICKETS

Amtrak disclaims liability for lost, stolen or destroyed tickets. Refunds will not be authorized.

PERSONAL CHECKS

Amtrak accepts personal checks of \$25.00 or more from customers who provide a valid photo identification and one of the credit cards noted. Checks must also be for the amount of purchase, contain a current address (P.O. Box Addresses not acceptable) and preprinted name. To obtain a refund at a station on tickets purchased by check, please provide a copy of both sides of the cancelled check.

IF YOUR PLANS CHANGE:

RESERVED TRAINS

Tickets **MUST** be reissued if reservations are changed. An additional fare may be required if your revised itinerary no longer qualifies for the fare originally paid.

UNRESERVED TRAINS

Your ticket may be used on any unreserved train serving the points shown on your ticket, provided travel on that train and date qualifies for the fare originally paid. If you have questions about your unreserved ticket, please contact Amtrak or your travel agent. Seats cannot be guaranteed on unreserved trains.

OPEN TICKETS

If you have purchased an "open" ticket for any segment of your itinerary, for which reservations are required, please be sure to make reservations and have tickets reissued prior to your travel. Additional collection may be required if a fare change has taken place. Be sure to check with Amtrak or your travel agent regarding blackout dates or other conditions applying to the fare paid. Open tickets cannot be issued on All Aboard America Fares or on certain other discount fares.

SPECIAL FARES

All tickets issued at a reduced fare, for example, special one-way or round-trip excursion fares, contain certain restrictions which may apply. These restrictions limit travel to certain dates, departure times or duration of stay. Some reduced fares are not available for all seats. Special fare tickets, if partially used, may have limited or no refund value.

CANCELLATION AND REFUNDS

Amtrak will refund the unused value of tickets, with the following exceptions. For sleeping accommodations (including Auto Train), if tickets are not cancelled at least 48 hours prior to departure, a substantial penalty will be assessed against the refund due. For Club Service accommodations, if tickets are not cancelled at least one hour prior to departure a penalty of 50 percent of the accommodation charge will be assessed against the refund due. The penalty will not be assessed in the event a passenger chooses to cancel travel on account of the train being delayed two hours or more at the boarding station. Original tickets must be presented for a refund.

Most refunds can be handled at Amtrak ticket offices but exceptions do exist; consult Amtrak. Refunds of partially used special fare or excursion fare tickets may be limited. Tickets purchased at a travel agency must *usually* be returned to the agency; however, if a refund is required because of a service disruption or downgrade of sleeping, club or custom class accommodations, Amtrak will process tickets issued by travel agencies. Amtrak will gladly refund your tickets through the mail. Please send original tickets (photocopies not acceptable) to:
